Groundwater Supply Enhancement Assistance Program (GSEAP) Application

The Groundwater Supply Enhancement Assistance Program (GSEAP) was created to facilitate and assist local water agencies with funds to promote groundwater supply enhancement projects.

The Program Guidelines are as follows: (1) Each Project be completed within four years, with a potential one year extension with Board approval; (2) Each Project be funded up to a maximum of \$250,000 with \$1 to \$1 matching funds; (3) The total amount available for each Fiscal Year is \$500,000 (subject to funding or revision by the Board each year); and, (4) Applications are due November 30th of each year for funds available in the following Fiscal Year (July 1st).

Please complete numbers 1 and 2 of the application and attach numbers 3 through 8 separately. The information is due to Ms. Miranda Nobriga, the FCGMA Clerk of the Board, by **November 30th** of each year. The information may be mailed or delivered in person to the address above or emailed to miranda.nobriga@ventura.org.

1. Name of Applicant and Project

Applicant Name _____
Project Name _____

2. Total Cost of Project, and amount of Matching Funds

Total Cost of Project _____
Matching Funds _____
